Cornell Cooperative Extension
Fulton and Montgomery Counties

Create Your Own Container Garden! with volunteer Master Gardeners!

Date: Thursday, June 6, 2013

Time: 6:00-8:00 p.m.

**Place: Shirley Luck Senior Citizen Center
109 East Main St. Johnstown NY**

Cost: \$10.00

Cornell Cooperative Extension Master Gardeners Mary Ann Charon and Jean Sweet will teach you how to create your own container garden during this hands-on workshop.

Are you interested in gardening but your space is limited? Try growing plants in containers. This class will demonstrate how you can grow vegetables for your table and enhance your deck or entranceway with flowers grown in containers. Participants will learn how to choose your container and plants, design the container and maintain a mini-garden throughout the season. Each participant will plant a container garden of their own to take home. All materials will be supplied.

Cost is \$10 per person payable at registration. Register by May 30th!
