# 2024 Fonda Fair

- ◇ Mark your calendars: All entries, both animal and non-animal, must be pre-entered by 4:00pm on August 1st. Fair entries must be postmarked by July 27th.
- ◇ Showmanship for each species will include a novice class. Novice showman are youth that have never shown that particular species in 4-H before, regardless of age.
- ◇ All animal science youth are required to complete showmanship in each species they exhibit at the Fonda Fair. This is required for all youth, even those that won Master Showman or Grand Champion Showman for their species in a previous year.
- ◇ There will be no separate Dairy, Livestock, and Equine Herdsman/Stable Management Competitions. Dairy, Livestock and Equine exhibitors will be automatically entered into herdsmanship, be judged on the same criteria, and will be paid a premium based on a points system. There will be a minimum number of points in which an exhibitor must receive in order to be eligible for a premium.
- ◇ Youth exhibiting Dairy, Livestock and Equine are required to incorporate some form of educational material into their animals display to educate the public on their animal project. This will be noted on the herdsmanship score sheet that will be included in the August-September Clover News to notify youth what is expected of them for herdsmanship at the 2024 Fonda Fair.
- ◇ Please be mindful of all deadlines! Fair deadlines will have both a “received by” date and time and/or a “postmarked by” date. Absolutely no exceptions to these deadlines will be made. Please do not ask for an exception, there will be no exceptions made.
- ◇ **No additions to entries after deadlines will be allowed.**
- ◇ It’s never too early to get your animals registered with their breed associations! Registration papers are required to be submitted with fair entries for registered breeds in dairy, beef, sheep, swine and goats. No papers pending will be allowed. Exhibitors who fail to submit registration papers on or before the entry deadline forfeit their ability to enter.
- ◇ Reminder: Exhibitors are limited to two entries per class in Dairy and Livestock. Limit of four entries per class in Poultry, Rabbit & Cavy
