

Soybean Scouting and TAg Team Program

Cornell University
Cooperative Extension

Cornell Cooperative Extension of Herkimer County
5657 State Route 5
Herkimer, NY 13350

Sponsored by

Central New York Dairy and Field Crops Team
Cornell Cooperative Extension of Chenango, Fulton, Herkimer, Montgomery, Otsego and Schoharie Counties

Cornell Cooperative Extension provides equal program and employment opportunities.

Please contact the Cornell Cooperative Extension if you have any special needs.

The Soybean Scouting and TAg Team Program offers you:

- Weekly scouting of two of your soybean fields for the next ten weeks for weeds, insects and diseases
- Weekly updates by mail and email of what we are finding in fields across the 6 counties.
- Opportunity to attend three TAg Team (Tactical Agricultural Team) meetings on soybean production and pest management that will include DEC pesticide applicator credits.

"White Mold"
Sclerotinia sclerotiorum

Soybean Aphids

Syrphid Fly Larvae Lady Bug Larvae
Soybean aphid predators

Soybean Scouting and TAg Team Program
