

### **What do Master Gardeners do?**

Projects and functions carried out by Master Gardeners are based on the strengths of individual volunteers and educational priorities of individual counties, differing from county to county. Some of the ways in which Master Gardeners in Fulton & Montgomery Counties have been involved include:

- Answering horticultural inquiries by telephone and email
- Researching to find answers and for consumers
- Writing articles about gardening
- Developing lesson plan and teaching workshops/classes
- Guest appearance on local radio show
- Setting up demonstration projects in public places
- Community improvement projects
- Community Garden advisor
- Wheelchair gardening at nursing home
- Historic garden restoration
- Organizing plant sales
- Fonda Fair informational booth design & staffing
- Providing advice to customers at garden centers
- Increasing awareness of integrated pest management, water quality conservation and other environmental issues
